Vermont Retail Druggists

Senate Committee Government Operations

4/12/23

Dear Madam Chair Senator Hardy and fellow committee members,

Thank you for the opportunity to speak last week regarding bill H 305. The Vermont Retail Druggists support the language as amended by the Office of Professional Regulation. We look forward to working with OPR as they continue to advance the roles in which pharmacies can contribute to the health of their respective communities. Pharmacies continue to exceed expectations in their ability to provide services with unmatched Access. Please feel free to reach out at any time for questions relating to the business of pharmacy and/or how the government can appropriately intervene into Vermont's health systems through the remaining pharmacy market.

Regards,

Jeff Hochberg
